

Lucerna COB LED System

4000K - IP20 - 5m

Features

- **Hotspot-free appearance**
- Durable, flexible and low profile
- Double sided 3M tape mounting

Electrical Data

Voltage	24V DC
Wattage per meter	12W/m

LED Data

LED type	COB
Chips per meter	320

Photometric Data

Colour temperature	4000K
Colour rendering index Ra	Ra > 95
Luminous flux per meter	1000 lm/m
Beam angle	120°
Dimmable	Yes, 1-100%

Construction / Protection Data

Substrate	FPCB
Mounting	3M tape
IP rating	IP20
Operating temperature	-20 ~ +45 C°
Storage temperature	-20 ~ +70 C°

Dimensions

Cutting increments	5cm
Length	5m
Width	8mm
Height	2mm

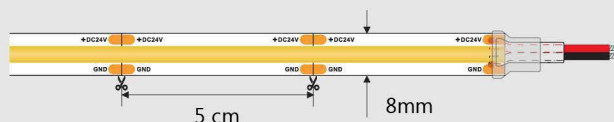

Lifetime

Lifespan(L70)	> 50,000 hours*
